Durham Police Department

For Immediate Release: June 21, 2012

Durham Police Trying to Identify Fraud Suspect

Durham police investigators are trying to identify a man who used an ATM card stolen during an armed robbery on June 6 on Lakeland Street.

The victim and a female were walking to an apartment in the 1500 block of Lakeland Street when a male approached them, pointed a gun and demanded money. The suspect took the victim's wallet and fled in a white "Jeep or Chevy type" vehicle driven by a second male.

The victim's ATM card was used a short time later by a male driving a white vehicle.

The robbery suspect is described as a light-complected black male in his 20s, 6 feet to 6 feet 4 inches tall with a slender build. When the robbery was committed, the suspect was wearing a black hoodie with the hood up, a black rag over his face, black pants and black shoes.

Anyone with information or who can identify this suspect is asked to contact Investigator Byrd at (919) 560-4415, ext. 29309 or CrimeStoppers at (919) 683-1200. CrimeStoppers pays cash rewards for information leading to arrests in felony cases and callers never have to identify themselves.
